Highlights of Mumbai

Iconic Places • Vibrant Culture • Unforgettable Experiences

Same city. A million stories.

Gateway of India

The iconic arch, built in 1924, is Mumbai's most famous landmark. It faces the Arabian Sea and is a must-visit for every traveler.

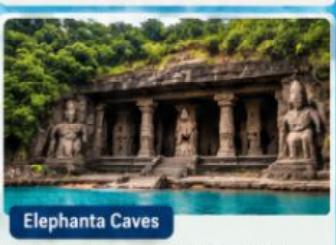

Colaba (South Mumbai)

Marine Drive

A 3.6 km long promenade with stunning views of the Arabian Sea, especially beautiful at sunset and in the evening.

South Mumbai (along the coast)

Elephanta Caves

Ancient rock-cut temples, a UNESCO World Heritage Site, dedicated mainly to Lord Shiva. A short ferry ride from the Gateway of India.

Elephanta Island (in the Arabian Sea)

Chhatrapati Shivaji Maharaj Terminus (CSMT)

A UNESCO World Heritage Site and one of the most beautiful railway stations in the world. It's a symbol of Mumbai's colonial past and vibrant present.

Fort (South Mumbai)

Dharavi

One of the world's largest slums, but also a place of incredible resilience, creativity and industry. It's home to thousands of small businesses, workshops and a strong community spirit.

Between Bandra and Sion (Central Mumbai)

Dhobi Ghat

An open-air laundry where thousands of washers (dhobis) clean clothes the traditional way. A fascinating glimpse into Mumbai's everyday life and hard work.

Mahalaxmi (Central Mumbai)

Mumbai – Where the City Meets the Sea

Rivers & Sea

- Arabian Sea – on the west and south
- Mithi River – flows through the city (east side, into the Arabian Sea)
- Thane Creek – on the northeast (separates Mumbai from Navi Mumbai)
